Pray for the safety of all who are on vacation this summer.

### Calling all Fish Fry Workers

All workers from this year's fish fries are invited to an appreciation dinner to be held at the Shrine of Our Lady of the Snows on **Sunday, August 8 at 3:30 p.m.** Spouses and significant others are invited too. Please **RSVP to Marilyn Elam @ 236-2321** after 6 p.m. or by e-mail at [b.elam@charter.net](mailto:b.elam@charter.net). If you have any questions, please call **Jerry Ahrens @ 398-5638**.

### DANGEROUS MOVIE

On Wednesday, July 14, the movie *Sorcerer's Apprentice*, began appearing in theaters everywhere. Sorcery is the gain or control of power from evil spirits. Scripture shows sorcery as opposing God's ways and will. Please **DO NOT** take this movie as just some form of entertainment. Dark spirits do move through these forms of entertainment and cause problems in people's lives. Simply **DO NOT** go to the movie and ask your family or friends to do the same. God bless you.

Servants of the Heart of the Father

It is important to say "Thank You" to all of you at St. Henry's who have been so dedicated in supporting the troops serving in Iraq and Afghanistan. Recently, we received a beautiful bouquet of flowers from one of the fellows we have sent boxes to during three tours of duty in Iraq. He wanted me to express to all involved in our project just how very much the boxes meant to them while they have been so far away from home. Again, the flowers were very beautiful and it was a touching gesture that is meant for all of you who support our troops through donations for the boxes we send. It's a sign of our times that he could send flowers via the Internet. But yet, where they are, they are without so many of life's necessities under very difficult circumstances.

Several of our people have recently come home and our list of names has become very short. Please contact me: **Carol Blue @ 233-0860** if you have an address of someone serving in either of these two places. Again, thanks so much for all your kind donations over these many years. We pray that soon we can put this project to rest as all our military come home and end these wars.

### Volunteers Needed!!

*The Society of St. Vincent de Paul is looking for volunteers who would like to help with an important ministry! People are needed to serve on the soup bus when it goes to the streets as a heating or cooling Station (as well as during other disaster situations). This is not a huge commitment of time or energy but it IS a huge service to others.*

*If you are interested and would like more information contact Pat Hogrebe @ 618-799-8505. Thank you so much for your consideration.*

### IT'S COOL AGAIN

You may have noticed that it was cooler in Church this past weekend than the previous two weeks. One of the air-conditioning units was not working properly, but it has been repaired. Sorry for the uncomfortable conditions!!

### Scripture Reflection

*Sixteenth Sunday in Ordinary Time*  
July 18, 2010

When we read the gospel for this Sunday, we sometimes get the idea that Jesus favored Mary over Martha. But if they had both sat down to listen, there would have been no dinner to serve to Jesus. He saw that Mary was content to listen to him, so Martha could have been content to prepare the meal for him. Remember the first reading where Abraham insists on serving the visitors, who he comes to recognize as the Lord and two angels. He was Rewarded with the assurance that he would soon have a son.

So simple acts of hospitality can also be how people welcome the Lord into their homes. When we welcome someone into our homes as a visitor, or into our lives as a friend, we are also welcoming Christ. When we get to know someone better, we are also getting to know Christ.

And what about that "better part" that Mary had chosen? Are we sometimes like Martha, with too many things on our minds to be aware of the Lord? Sometimes we can't avoid the distractions that are part of life. But if we keep the Lord on our minds we may be able to see which are distractions to be put aside, and which are opportunities to serve the Lord in a different way. Sometimes kids interrupt when you're fixing dinner: maybe they need to be taught how to take care of things by themselves, or maybe they just need a few moments of attention. And as you spend more time with the Lord in prayer, you begin to experience his peace that gives you the ability to choose the better part.
