From Our Pastor

Dear People of Holy Family,

During the month of June there are lots of changes. Hopefully the Lord will send us favorable weather for our crops and gardens to produce the food that we need. New graduates will be

searching for jobs. Families will begin their summer vacations. Attendance at Mass will vary with visitors and locals away for family gatherings. Please honor God with weekly worship wherever you may go. God is always there for us.

Our seminarian Dustin Collins is doing a two year internship at Holy Family when he is present during the school year of St. Meinrad from fall through spring. During the summer Dustin is present in his own Diocese of Knoxville. He will be ordained a transitional Deacon on June 11th at Notre Dame Catholic Church, 212 Mount Bethel Road, Greeneville, Tennessee 33345. I have just listed the address where you may want to send him a card in honor of his ordination. When he returns to Holy Family in the fall, he will be serving as a deacon at the altar. Next year he will be ordained a priest for his Diocese. On behalf of Holy Family Parish, we pray that the Holy Spirit will empower Dustin to be a holy leader for the church. We urgently need holy deacons and priests to serve in our churches for the sacraments.

The long awaited announcement for a new Bishop arrived on April 26th. Our present retired Bishop Gerald Gettelfinger now becomes Bishop emeritus. He wishes to serve our Diocese wherever he can celebrate the sacraments for a parish. He will live between St. Wendell and St. Joseph parishes on the northwest side of Evansville. He has served us well over these past 22 years as our Chief Shepherd.

We now welcome a 50 year old man as our new Bishop. Our Bishop-elect is Charles C. Thompson. He comes from the Archdiocese of Louisville. He is their present vicar general which means that he is just under the Bishop in the Archdiocese. He will be ordained on Wednesday, June 29th at Roberts Stadium at 2:00 p.m. Evansville time. The Bishop comes from a big family. He has some 90 first cousins alone.

Our retiring Bishop has invited everyone from all the parishes of the Evansville Diocese to attend this grace-filled moment. This is a great time to take your families and be inspired by beautiful Catholic music and prayer. The rituals are so beautiful. You will leave the ordination Mass spiritually renewed. All parishes in the Diocese are being asked to close their offices Wednesday afternoon on the day of the ordination so that all parish staffs can attend. Let us pray for our new Bishop-elect Charles Thompson so that he can lead all parishes of the Evansville Diocese from 12 southwestern counties to be one in doing the Lord's work. He also has a tremendous task ahead to be shepherd over 29 Catholic schools.

We have a lot less quilters now at Holy Family. Many have died since I have been here. We probably have about ten at the most at any time to quilt. We have a few who come in the evening. Our quilters are making an appeal for small groups of parishioners to come together and donate quilt tops and have them quilted by someone else and donate them for the parish picnic. This practice is done in many parishes. Quilting is such an art. We have such beautiful quilts for our annual picnic. Let us help our remaining quilters if we can.

Have a safe and grace-filled summer!
Peace - Fr. John

Stewardship Conversion

In 1992, the U.S. bishops promulgated their pastoral letter on stewardship entitled "Stewardship: A Disciple's Response." By linking the stewardship way of life with discipleship in Jesus Christ, the U.S. bishops effectively reminded all Christians that being a good steward is not an option, it's imperative. Developing a stewardship attitude is both a "journey toward" and a "retreat from." It's a journey toward the challenging ideal of the good steward found throughout the gospels; it's a retreat from the "I-me-my" selfishness that the world promotes as a laudable goal.

Stewardship is much more than the things we do with our time, talent, and treasure; it's an attitude, a mentality, a frame of reference, a way of life. For most Catholic Christians, it requires a change of heart, a process of conversion. Listen to the U.S. bishops, who say in their 1992 pastoral letter: "For one who is Christ's disciple there is no dichotomy, and surely no contradiction, between building the kingdom and serving human purposes as a steward does"; and also "Being a disciple is not just something else to do, alongside many other things suitable for Christians, it is a total way of life and requires continuing conversion."

HOLY FAMILY EXPOSITION AND BENEDICTION

All parishioners have the special opportunity to take part in the Exposition and Benediction of the Blessed Sacrament at Holy Family Church. Exposition will begin at 8:30 a.m. following the morning Mass, with Evening Prayer and Benediction at 7:00 p.m.

**Tuesday: June 21, 2011
July 19, 2011**

NOTE: No other activity can take place during the time of Exposition; this includes all practices, meetings, cleaning and tours. However, in the case of a funeral, Exposition would begin following the Funeral Mass.

Stephen Ministry

Bishop-elect, Father Charles Thompson in a recent newspaper article said, "The Eucharist is clearly the center of my life, ministry, and service." He went on to say, "This is clearly the focus of my intimacy with Jesus Christ, which gives purpose and meaning to all I am about as a priest and as a Catholic Christian person."

Father Thompson reminds us that Jesus is not only present for us today in the Eucharist but wants an intimate relationship with us. There is no other relationship that we can have like the one with Jesus. He understands our individual strengths and weaknesses. He understands our joy and sorrow and as our brother, experiences them with us. As our Lord and Savior, He provides us with the spiritual food we need on a daily basis.

I know that through the Eucharist, Jesus is not only present in me but also in my Catholic sisters and brothers. Sometimes Jesus will give me answers through their words. Sometimes their willingness to listen to my concerns will shed a different light on them. In Matthew 18:20 Jesus says, "Where two or three are gathered in my name, there am I in their midst."

If you are going through a difficult time and could use a Catholic friend in Jesus to talk to, give Holy Family Stephen Ministry a call. We will provide you with a confidential one to one relationship. You may call Joan Schroering at 482-3426, myself (Tom Gehlhausen) at 482 4018, or the parish office at 482 3076. All calls are kept confidential.

May God be with you,
Tom Gehlhausen

From the Principal ~ June 2011

Dear Parents and Friends of Holy Family School,

Our school year has quickly flown by and the students will begin their summer breaks at the close of school on June 1st. Our students and staff have really "Made a Difference....a single step at a time," through actions both big and small, from the smile or hug to cheer up another to their generous giving for many causes, but especially to Haiti, DI, and the Food Bank. It is such a wonderful thing to see our students embrace service as a part of their lives!

As summer begins, we are looking forward to time spent with family and friends. And while we like to take a break away from school, students are always excited to come back and participate in the various summer activities. Our Summer Kid's Camps are taking place throughout June and are a great way for students to have fun while interacting with music, art, and Spanish. Summer AR day will be June 30th, so be sure to keep reading those books over the summer to get a jump start on those AR points! And don't forget about the Strassenfest activities in August, as we will again have a float in the parade and will sponsor the Wettlauf Run/Walk. Of course, we also have an activity for those who love the water...The First Annual Holy Family Cardboard Boat Regatta on Saturday, August 13th. This is an event you won't want to miss, so keep your eyes out for information in the Sunday bulletins!

As the 2011-12 school year approaches, there are a few dates to make mention of. School registration for the 2011-12 year will take place on Monday, July 18th at 6:00 p.m. It will begin in church with a brief welcome and prayer, followed by registration and an open house. August 11th will be the first day of school for the new year. There are still opportunities for families to enroll their students in Holy Family School, as the voucher program will begin July 1, 2011. If you would like more info. regarding the vouchers, please feel free to contact the school office at 482-4485.

May God be with each and every one of you as the summer unfolds before us.

In Christ,

Mrs. Sally L. Sternberg

TRIP TO DUPITY, HAITI

As I reflect on my trip to Haiti the word that best describes my experience at this time is **overwhelmed**. Overwhelmed by the poverty and suffering I saw all around me. Oh, I knew the statistics about Haiti...

- population 9.2 million
- 58% are undernourished
- 80% live in poverty
- 58% with access to safe drinking water
- 50% illiteracy rate
- the worst health statistics in the Western world ...

Yet, I was not prepared to have children and adults approach me rubbing their stomachs and asking for food because of the hunger pains. Seeing so many people without the basic needs of food, shelter, and drinkable water is still difficult to comprehend. The basic needs that I so often take for granted.

In spite of the suffering and poverty, I was overwhelmed by the joy and gratitude expressed in song, prayer, and gestures. They praise God with their whole being and are so grateful for the little they do have. Not only are they grateful, but they are willing to share what little they have. Some of the women from the micro-lending program brought us eggs. They said that due to no rain they had nothing from their gardens to give us. As we met with Father Brunot, the school children, the parents of the students in the sponsorship program, the women in the micro-lending program, and those getting medical help at the clinic, their message was basically the same: "Tell the people of Holy Family Parish, Holy Family School, and the surrounding areas that we thank God for them, and we thank them for the marvelous things they have done for us. Please don't forget us."

Lastly, but not in the least, I was overwhelmed by the generosity of the Holy Family Parishioners, and Holy Family and Precious Blood school children as I saw with my own eyes how you have made a difference in the lives of our brothers and sisters in Dupity.

Their steadfast faith and love of God are evident by their words and actions. They are Eucharistic Ministers to the homebound and serve on our Bereavement Committee. They also volunteer at the Nursing Home and Cancer Center, and are advocates for people with special needs.

Their focus in life is their compassion and concern for others and we are blessed by their caring and dedicated service.

Do little things with great love...

Dear friends and family,

Spring is bringing a new refreshing outlook for all of us. Our gardens are beginning to bloom with the promise of more colors in the future. Even our children are happier to get outside and do what children do. We are making plans for what we will do with the children when school is out and summer is upon us. Which brings me to this compelling article that I would like to share with you.

A TEENAGE BRAIN – A WORK IN PROGRESS

New discoveries about adolescent brain development have opened up fresh ways of thinking about teen behavior, and offer new insight into how parents can help their teens understand the risks of drugs and alcohol. For instance:

- Scientific evidence reveals that the **brain is fully mature at about age 25** – much later than previously believed.
- One of the last areas of the brain to develop is the Prefrontal Cortex, which is responsible for processing information, making judgments, controlling impulses and foreseeing consequences.

This new information throws into stark relief the major risks of teenage substance use, including the possibility of causing permanent neurological damage to the developing brain. Concerned parents want to know how to apply these findings too real life. That’s what **“A Parent’s Guide to the Teen Brain”** is all about.

Through an entertaining and compelling mix of media – video, interactive segments, scenario based role-playing experiences, expert advice, and practical tips – **“A Parent’s Guide to the Teen Brain”** illustrates the links between teen behavior and the big changes happening in teen brains. In doing so, the site offers parents the keys to keeping their own perspective while guiding their teens more effectively through this tumultuous time of life.

This article was shared with me by Joan Knies, a Community Education Specialist. She has numerous resources on a variety of community subjects. Through Parish Nursing we can coordinate with her to bring these subjects to our Parish. Please contact us about what you would like to have presented at your Parish.

Blessing for Pentecost

May the enthusiasm of Spirit leap incessantly within you and help you to live a vibrant life.

May the warmth of Spirit's fire be extended through your concern and care for all those who need your love.

May the blaze of Spirit's courage enable you to speak the truth and to stand up for respect, dignity, and justice.

May the undying embers of Spirit's faithfulness support you when you feel spiritually dry and empty.

May the strength of Spirit's love sustain your hope as you enter into the pain of our world.

May the clear light of spirit's guidance be a source of effective discernment and decision-making for you.

May Spirit's patient endurance be yours while you wait for what is unknown to be revealed.

May the steady flame of Spirit's goodness within you convince you every day of the power of your presence with others.

May the joyful fire of Spirit dance within you and set happiness ablaze in your life.

May the spark of your relationship with Spirit catch afire in the hearts of those with whom you live and work.

May you be mindful of the Eternal Flame within you.

May you rely on this Source of Love to be your constant ally and steady guide.

SODALITY MOTHER'S DAY MASS & DINNER MAY 5th, 2011

The annual Mother's Day Mass and Dinner began with Mass celebrated by Father Bill Wargel for all living and deceased members of the Blessed Virgin Mary of the Assumption Sodality. After Mass, members enjoyed a catered dinner in Fellowship Hall.

After the meal, Co-Directors Jan Durcholz and Sylvia Recker welcomed the ladies. Jan informed the ladies that since the cost of food has gone up, the price of the meal at the next meeting would be \$6.00. This would again include a dessert. She also told the ladies that there were papers on the tables to volunteer to make a dessert for the quilters and also to donate an attendance prize for the next meeting.

Jan then asked Connie Schroering to speak about the by-laws & functions of our Ladies Sodality. Connie shared with the ladies what our 'mission' was as members of the Blessed Virgin Mary of the Assumption Sodality and explained the by laws & functions of the Sodality. She informed them that to be a member of the Sodality meant to co-operate with the pastor in providing the spiritual and temporal needs of the faith community of Holy Family Parish. Connie also explained to the ladies that we would no longer meet in October, that as they know, the Mother/Daughter Banquet is now being held in May. The Christmas Dinner will be held on Tuesday, November 29th, 2011. She told the ladies that since we will no longer meet in October, that the Card Party Committee has decided to set a tentative, not a definite date, for the next card party in October of 2012. Connie named the committees & chairperson(s) for each committee. She asked the ladies to seriously think about coming forward to help out with the card party and the other committees by contacting Diane Verkamp at the parish office. Connie informed the ladies that Jan & Sylvia would no longer be co-directors. She thanked them for their service for the past two years and the excellent job they did for the Sodality. She also informed the ladies that since there would no longer be co-directors, that Rosie Gutsell has agreed to be the 'go to person' if anyone had any questions concerning the Sodality. Rosie's name and number will now be in the bulletin and Parish Press as the contact for the Ladies Sodality. Connie reminded the ladies that our Sodality Feast Day, The Blessed Virgin Mary of the Assumption, is August 15th. She said it is appropriate to have at least one Mass on that day for the living and deceased members of the Sodality. Connie closed by thanking the ladies for all they have done and continue to do for Holy Family Parish. She said they should be proud of our Sodality and make sure we remain a strong organization.

Sylvia read a thank you from the Sisters of St. Benedict for the ladies' generous gift for the Peru Missions. Jonnie Heeke then gave a report on behalf of the quilt committee. She told the ladies that since there were not as many donations being made to the committee, that at this time there would not be as many quilts as they have had in the past for the parish picnic. Because of this, she asked the ladies if they could try to get a group together to help make donations for the quilts. She thanked the ladies for all they do for the quilt committee and said without the continued support of the Sodality and parish; it would not be possible for the quilters to do what they do.

After the business portion of the meeting & before prizes were announced, the ladies enjoyed playing Bingo. Treasurer Rosie Gutsell thanked the ladies who helped her at the raffle tables. She also informed the ladies that at the Christmas meeting, the tickets for the raffle prizes would increase from .25 cents to .50 cents. Names were then drawn for prizes. A Dairy Queen/movie money packet, donated by Doris Egler and Betty Hildenbrand, was won by Brenda Schitter. A Black Buggy Gift Card, donated by Janet Epple, was won by Barb Hopf. The \$5.00 attendance will be \$10.00 at the next meeting since Elise Krapf was not present at the meeting. The $\frac{1}{2}$ pot was won by Rosie Henriott.

Sylvia and Jan thanked everyone who helped prepare for the Mass, Dinner and Meeting, especially chairpersons, Rosie Werner, Leona Hief and Karen Mundy. They closed the meeting asking the ladies to stand and pray the Memorare.

Did you know....

.... that you can make a gift through an IRA charitable rollover that can potentially save you money on your income taxes? Normally, a distribution from your IRA is taxed as ordinary income. However, tax legislation enacted in December 2010 allows individuals 70½ or older to make a direct distribution from an IRA to a qualified charity, such as Holy Family Parish. These distributions are not subject to income tax and particularly benefit people who do not itemize deductions on their tax return. This opportunity is available through December 31, 2011. Please contact your IRA administrator for more information and assistance.

Special Thanks to our Advertisers who make the publication of the Parish Press and Bulletin possible!

We thank them for their involvement with our parish and encourage you to support them with your business. Please refer to the Bulletin for their complete advertisement and business information. **Thank You !!**
