**15th Sunday in Ordinary Time  
July 10, 2011, 2011  
Matthew 13:1-23**

***“Some seed fell on rich soil and produced fruit, a hundred or sixty or thirty fold.”***

At this time of the year it is easy to see today’s Gospel in practice. Farmers and gardeners sowed, weeded, fertilized, and watered, and now begin to see the fruits of their labor. They sowed more seed than they actually needed, as nature is generous but also wasteful: no one who grows plants can tell you how many will survive and produce seed of their own. The parable of the sower, like all Jesus’ parables, stands conventional wisdom on its head and offers layers of new meaning. In Jesus’ day, the way of righteousness was spelled out in the Jewish scriptures. The person who lived as a pious Jew, following the Law of Moses, could be assured of many blessings. Yet, as Jesus often demonstrated, following the rules and living the life are not the same thing. Why does the seed of the word not bear fruit in everyone who hears it? Jesus quotes the prophet Isaiah, who describes people as dull of hearing with their eyes shut. Jesus explains this as a form of self-protection. If people *really* hear and *really* see, they might have to change.

We may hear this Gospel with a hint of complacency. It is possible to hear this parable and enjoy it as a simple tale. After all, we understand it, and we are not like the rest. But is this true? Do we really hear the word? Are we really seeking its meaning *for us*? Do we allow it to take root in the good soil in our lives, or do we push it to the edges or let it get choked out by other priorities? Disciples are the ones who water and nurture it, and ask Jesus to help them produce abundant fruit.

***Where has the word of God landed in the good soil of your life, and how does it bear fruit? Where has it been choked out or lost?***
